RE: Scope determination on antidumping duty order on wooden bedroom furniture from the People's Republic of China (A-570-890)

1. On 05/27/2014, in response to a request by Ethan Allen Operations, Inc. ("Ethan Allen"), Commerce issued a final scope determination that Ethan Allen's four chests (i.e. the Marlene chest, the Nadine Chest, the Serpentine chest and the Vivica chest) which Ethan Allen imports are within the scope of the antidumping duty order on wooden bedroom furniture from the People's Republic of China ("PRC") (A-570-890).
2. Because the imported products are physically similar to chests which are described in the scope of the order and can store clothing, Commerce found these products to be within the scope of the order.
3. Continue to suspend liquidation of entries of wooden bedroom furniture from the PRC, including the Marlene chest, the Nadine Chest, the Serpentine chest and the Vivica chest imported by Ethan Allen described above, subject to the antidumping duty order on wooden bedroom furniture from the PRC.
4. If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce at (202) 482-0984. CBP ports should submit their inquiries through authorized CBP channels only. (This message was generated by OIV:PO.)
5. There are no restrictions on the release of this information.
